### Joining a Joinable Site:

Certain sites in Sakai can be opened to become “joinable”, meaning that anyone with a Providence College login can seek the site out and join it. Typically this is used for clubs or other campus organizations. If you are seeking to join a “joinable” Sakai site, follow these instructions:

1. Log into Sakai, and from the home page, select “Membership” out of the left hand menu. From the tabs at the top of the page, select “Joinable Sites”.

2. All joinable sites will appear, and they can be searched by using the “Search” box in the right hand corner. To join a site, simply click “Join”. The site will now appear in the “Sites” waffle for you to access it.
