2020 Faculty Summer Institute

This year's Summer Institute was a collaboration by the Center for Teaching Excellence, Instructional Technology Development Program, and Information Technology. We've included a range of topics to prepare faculty for a variety of teaching approaches this fall.

Questions? Please contact itdp@providence.edu.

Schedule of Events:

Wednesday, June 17 10-11AM Presenters: Adam Villa and Todd Olszewski	**Course Design** Description: In this session, we will provide an introduction to course design and ways to leverage a well-designed course to support both in-person and online teaching. Resilient pedagogy will also be discussed. **Resources:** Bit.ly/CTEcoursedesign **Recording:** bit.ly/CTEcoursedesignVideo
Wednesday, June 17 1-2PM Presenter: Julie Cicilline	**Advanced Sakai: Lessons and More** Description**:** Sakai's Lessons tool allows you to structure content pages within the Sakai course site – kind of like a website within Sakai. This tool lends structure to the workflow and content of a course, especially if the instructor is "flipping" course content, teaching a hybrid course, or teaching exclusively online. **Resources:** Remote Learning Sakai site: bit.ly/ITDPsakai Sakai 20 Upgrade (expected July 17, 2020): https://confluence.sakaiproject.org/display/DOC/Sakai+20+Release+Notes **Recording:** https://providence.zoom.us/rec/share/4sdXJrfh3XhOZqvy1HPQaOkAFLTGeaa8gCBL-vMEyxxxjjmQbcO1EfnnxJkYdz3M
Thursday, June 18 10-11AM Presenter: Shonna Ryan	**Replicating Classroom Activities Online** Description: Learn how you can replicate those tried-and-true activities in your lesson plans using web-based tools. From group projects, to classroom discussions, to writing on the whiteboard; we will cover all available tools, ranked by ease of use. **Resources:** Instructional Continuity: https://bit.ly/2YoVhMC **Handout:** bit.ly/2AjvOMG

	Recording: https://providence.zoom.us/rec/share/wpdSLJrI8j5JGLfS6WSPeJ 8qXYv1T6a8gXIZ-vYPmilNf7C2qCV2yZph4PK7h4g
Thursday, June 18 1-2PM Presenter: Donna Salisbury/ Diane Smith-Wilks	**Microsoft OneDrive & Teams** Description: Use OneDrive cloud storage to store files, edit, share and collaborate. Use Teams to chat, store files, collaborate and meet with your department, committee or class. **Recording:** https://web.microsoftstream.com/video/6c8f27ea-98e5- 4126-aa5e-724a5364fdd8 **Resources:** **OneDrive Workshop Handout** **Microsoft Teams Handout** **Microsoft Stream Handout** **Microsoft Sway Handout**
Wednesday, June 24 10-11AM Presenter: Aaron Colaiacomo	**Advanced Zoom: Polls, Breakouts, Security, and Waiting Room** Description: Zoom has several advanced features that can be added outside of a meeting. Breakout rooms are typically used for group- based discussion and presenting while Polls can be used to engage your audience. Waiting Rooms and the Security features can be used to simulate online office hours or prevent unwanted visitors to a Zoom call. **Recording:** https://bit.ly/31xJzlY **Zoom VS Team Feature Comparison:** https://ihelp.providence.edu/software/zoom-vs-teams-feature- comparison/ **Assigning Participants to a Breakout Room:** https://support.zoom.us/hc/en-us/articles/206476313-Managing- breakout-rooms
Wednesday, June 24 1-2PM Presenter: Aaron Colaiacomo	**Recording and Narrating Presentations** Description: Enhancing the online learning experience for students through supplementary recorded materials is not only beneficial to your course and teaching but reinforces materials for students and helps them retain information. PowerPoint, Screencast-o-matic, Quicktime, Teams/Stream and Zoom are all great tools that can help record your lectures allowing students to review on their own time. **Recording:** https://bit.ly/2NKpot2

Thursday, June 25 10-11AM Presenters: Adam Villa and Todd Olszewski	**Assessments in your Course** Description: In this session, we will discuss aligning your course objectives with your assessments, as well as the best practices for assessment in a remote teaching environment. Tools and techniques for translating formative and summative assessments to the online classroom will also be presented. **Resources:** https://bit.ly/assessmentsCTE **Recording:** https://bit.ly/assessmentsCTEvideo
Thursday, June 25 1-2PM Presenters: Stephen Perreault, Alex Orquiza, Bob Hackey and more	**Moving Active Learning Online** Description: Join us for a panel on active learning in online spaces. Presenters will discuss activities, technologies, and challenges from the spring, as well as, ideas to help prepare for fall. **Resources:** https://friarsprovidence-my.sharepoint.com/:f:/g/personal/jdecesa1_providence_edu/EtU4slqRwetHv6YkS7ZqnFEBdcr39ckW4BFKLRqin87fDA?e=NEN16E **Recording:** https://providence.zoom.us/rec/share/ou91Aq_gqmVLZI3juB_GfPcoDKa_X6a81ygfqKFZyx13zEQyvCDJ_bBAnDcwLmuO
